

RAINY RIVER COMMUNITY COLLEGE **MINNESOTA TRANSFER CURRICULUM (MTC)**

Minnesota Transfer Curriculum (MTC) is a 40-credit package of general education courses that will be accepted for transfer by all of the Minnesota State Colleges and Universities. The University of Minnesota accepts the Minnesota Transfer Curriculum when it is completed in full. Students often complete the transfer curriculum in conjunction with another program.

Minnesota Transfer Curriculum commits all public colleges and universities in the state of Minnesota to a broad educational foundation that integrates a body of knowledge and skills with study of contemporary concerns — all considered essential to meeting individual social, personal, and career challenges in this new century.
